BOSTON, August 5, 1892.

Dr. S. A. Tuttle, Dear Sir.—My horse Dandy had a sore on his side last winter and I had it doctored six months; at your suggestion last month I had applied Tuttle's Elixir diluted with water, and also gave him some of your Condition Powders, which effected an immediate cure. I also had the Elixir applied to some bleeding warts on my cow's teats, and there it also proved a success. My man tried it for his rheumatism, which was so bad that he expected to be obliged to give up work, and it relieved him at once, and now he is nearly well. Having these several cures within a month, I thought it only justice to you to know the facts.

I am, yours truly,

A. R. WHITTIER.
